

Dubai Marina

DEC TOWERS

Situated at the heart of the Dubai Marina complex, DEC Towers has been designed to cater for those searching for lifelong prestige and luxury. The excellent location of this development ensures breathtaking views, a fantastic setting and superb architectural design.

DEC Towers comprises two residential towers offering one, two and three bedroom apartments, all fully equipped with all modern day necessities and comforts. This project will also boast a five level structure consisting of studio apartments, two level car parking a business centre and an array of leisure facilities.

Originally the vision of Dheeraj and East Coast LLC groups, DEC Towers have been strategically located near the fifth interchange on the arterial Sheikh Zayed Road, allowing easy access to the surrounding Marina, Ibn Battuta and Mall of the Emirates shopping centres, world class golf courses and a short drive away from the delights of down town Dubai.

Amenities at DEC Towers include; business centres, day care for children, 24 hour security, secure underground parking, tennis and squash courts, outdoor jogging track, gym with sauna and steam rooms, Jacuzzi and outdoor pool.
